Notes

- Classes are organized in columns based on the grade level recommended by the instructor and/or curriculum. For most classes this is just a recommendation, if the class is strictly limited to a grade level, a designation below the class name has been noted.
- If two classes are listed within the same box, the first class is offered first semester only while the second is offered second semester only. The exception to this are our foreign languages. They are listed in the same box but run for the full year.
- Please consult Eagle Academy's Course Catalog before finalizing class choices. Pertinent information is contained there to help you in your class selection. Some classes may have prerequisites that you need to take into consideration.
- Study Halls are offered Periods 2-6 and with the exception of Period 6, students are expected to bring work with them to complete during that hour.
